Supply Management

ADMAG

(See Reverse Side)

- D. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

Not Really! If we had been prepared the class could have come up with a cross section of problem areas to discuss with the AD/MAG.

- E. We welcome your suggestions for improving this course:

Have the course Administrator, when going over the objectives in the being of the course, explain that the AD/MAG will accept problems when their here. So on an informal bases ask the students to discuss among themselves some of the problems that they with here about and possibly present their ideas to the AD/MAG.
